

PRODUCT SPEC SHEET
MC40 MOBILE COMPUTER

MC40 MOBILE COMPUTER

COOL CONSUMER-STYLING ON THE OUTSIDE ' PURE INDUSTRIAL DESIGN ON THE INSIDE

With this sleek pocketable device, everything your associates need to serve your customers is always right at their fingertips. They can scan an item bar code to look up price, inventory availability or item location; look up a gift registry and product information; present a comparison of multiple products; call virtually anyone in the store carrying any type of mobile device for help with a question; ring up the sale and even complete a loyalty card application ' all without ever walking away from the customer. When associates are not assisting customers, the Zebra MC40 can be used to execute the many tasks required to keep your store at its best for your customers, such as price audits, markups and markdowns, replenishing store shelves and line busting. And while the MC40 offers the cool consumer look you want for your customers on the outside, you get the durability, data security and centralized management needed to achieve a true enterprise-class lifecycle ' and low total cost of ownership.

Real business-class durability

You get the durability that Zebra is famous for ' the MC40 simply works, even if your employees drop it, bump it, use it in a dusty backroom or splash liquid on it.

Our most advanced scan technology

Associates can scan 1-D and 2-D bar codes printed on paper or displayed on the screen of a customer's mobile phone with laser-style speed ' even if the codes are dirty, damaged or poorly printed. Omni-directional scanning delivers point-and-shoot simplicity ' no need to align the device and bar code.

Comprehensive and secure payment processing

The integrated magnetic stripe reader allows associates to scan a credit, gift or loyalty card. And with an encrypted head, information is never visible in the clear, helping meet PCI regulations.

Rich photographic intelligence

The high-resolution 8 MP camera allows associates to easily document the condition of an incoming shipment, a planogram, promotion compliance and more with the quick press of a button.

A large 4.3 inch touch-only display

Provides the screen real-estate to support information-intensive apps, such as product comparisons.

A powerful voice connection to nearly any other mobile device in your store

With our unique integrated voice solutions, the MC40 is push-to-talk (PTT) ready right out of the box, easily connecting to other PTT-enabled Zebra mobile computers as well as two-way radios.¹

User replaceable battery for guaranteed availability all shift, every shift

Up to 8 to 10 hours of operation on a single charge virtually eliminates downtime due to a dead battery during a shift; user-swappable batteries protect device uptime and increase device utilization.

- Price checks
- Inventory checks
- Item locator
- Price changes/ price audits
- Mobile POS
- Light duty inventory/ stock replenishment
- Line busting
- Assisted selling
- Product comparison
- Electronic coupons (mobile phone displays)

Backlight	LED backlight	COMMUNICATION AND MESSAGING	
Power	 PowerPrecision 2680 mAh Li-Ion rechargeable battery	 Workforce Connect Voice Client Certified ³  Workforce Connect PTT Express Client (included)	
Backup Battery ²	NiMH battery (rechargeable) 15 mAh 3.6 V (not user accessible)	WIRELESS LAN	
Connectivity	USB 2.0 OTG connector	Radio	Tri-mode IEEE® 802.11a/b/g/n/r
Notification	LED, audio and vibration	Security	<i>Security Modes:</i> Legacy, WPA and WPA2 <i>Encryption:</i> WEP (40 and 128 bit), TKIP and AES <i>Authentication:</i> TLS, TTLS (MS-CHAP), TTLS (MS-CHAP v2), TTLS (PAP), PEAP (MS-CHAP v2), PEAP (GTC), FAST (MS-CHAP v2), FAST (GTC), LEAP. <i>Data in Motion:</i> FIPS 140-2 Level 1 <i>Data at Rest:</i> FIPS 140-2 Level 1
Keypad	On-screen keypad	Data Rates	802.11b: 1, 2, 5.5, 11 Mbps 802.11a/g: 6, 9, 12, 18, 24, 36, 48,
Disinfectant Ready	Yes (Healthcare version)		
Colors	Silver, Healthcare Blue and White		
PERFORMANCE CHARACTERISTICS			
CPU	800MHz OMAP 4 dual-core processor		
Operating System	Android 4.1.1		

Memory 1 GB RAM/8 GB Flash

54 Mbps
802.11n: 6.5, 13, 19.5, 26, 39, 52,
58.5, 65 Mbps
802.11n with SGI: 7.2, 14.4, 21.7,
28.9, 43.3, 57.8, 65, 72.2 Mbps

USER ENVIRONMENT

Operating Temp. 0° C to 50° C / 32° F to 122° F

Storage Temp. -40° C to 70° C / -40° F to 158° F

Humidity 5% to 85% RH non-condensing

Drop Specification Multiple 4 ft./1.2 m drops per MIL-STD 810G; multiple 3 ft./0.9 m drops to tile

Tumble Specification 500 1.6 ft/0.5 m tumbles; meets and exceeds IEC tumble specifications

Sealing IP54

ESD ± 15kVdc air discharge, ± 8kVdc direct discharge, ± 2kVdc indirect discharge

Fast Roam Pre-Authentication, PMKID Caching, Opportunistic Key Caching (OKC), Cisco CCKM, Zebra HFSR, 802.11r

Certifications Wi-Fi, CCXv4

Operating Channels Chan 36-165 (5180 - 5825 MHz), Chan 1-13 (2412 - 2472 MHz); actual operating channels/frequencies depend on regulatory rules and certification agency

WIRELESS PAN

Bluetooth Class II, v 2.1 with EDR; integrated antenna

INTERACTIVE SENSOR TECHNOLOGY (IST)

Motion Sensor 3-axis accelerometer provides motion-sensing for dynamic screen orientation and power management

Light Sensor Automatically adjusts display backlight brightness

Proximity Sensor Prevents unwanted key presses in handset mode

AUDIO

High-quality speakerphone, wireless (Bluetooth) headset support, PTT headset support, handset/speakerphone modes

PERIPHERALS AND ACCESSORIES

Accessories include single and 5-slot charging cradles; single and 4-slot battery chargers; holster and a wearable carrying solution. BT connectivity to RS507 Ring Scanner. (Visit www.zebra.com/mc40 for a complete list of accessories.)

REGULATORY

Visit www.zebra.com/mc40 for regulatory information

WARRANTY

Subject to the terms of Zebra's hardware warranty statement, the MC40 is warranted against defects in workmanship and materials for a period of 1 (one) year from the date of shipment. For complete warranty statement, go to: <http://www.zebra.com/warranty>

RECOMMENDED SERVICES

Managed Device Service
Service from the Start with Comprehensive Coverage

1. Zebra devices require the complimentary Push-to-Talk Express client from Zebra; third party mobile devices require Zebra's Unified Retail Communications client; two-way radios require Zebra's Radio Link server.
2. Refer to the User Manual for charging recommendation.
3. Voice client supported in North America
